

# Understanding the Water-Conflict Nexus

Project Title	Understanding the Water-Conflict Nexus
Project Summary	Develop a conceptual model that demonstrates the relationship(s) between water and conflict at the local, national and/or regional levels.
Country	United States
Agency	Department of State
DoS Office	OES/ECW
Post	N/A
Section	N/A
Number of Interns	1

## Project Description

The intern will work with the Special Coordinator for Water Resources to conduct research on the linkages between water and conflict and develop a visual model that shows these relationships and potential intervention points. Interns will gain exposure to U.S. foreign policy priorities and multi-lateral and bi-lateral diplomacy. The internship is located in the Office of Conservation and Water (ECW), part of the Bureau of Oceans and International Environmental and Scientific Affairs.

## Desired Skills Interests

## Additional Information

Experience with environmental policy, international policy and/or conflict management is preferred.
